

Attorney's Docket No.: 10559-382001/P10188

REMARKS

Claims 1-12 and 14-18 are pending and were indicated as allowed in the Notice of Allowability mailed February 27, 2006. Applicant appreciatively acknowledges the indication of patentable subject matter.

Pursuant to the provisions of 37 C.F.R. §1.312, Applicant requests that new claims 25-30 as listed above be entered into the present application and also allowed.

Please note that the subject matter of new claims 25-30 is so closely related to the subject matter of allowed claims 12 and 14-18 that no additional search and/or consideration is believed to be necessary. Further, one independent claim (i.e., claim 19) and five dependent claims (e.g., claims 20-24) that related to a computer program embodied on tangible program media were canceled during the course of prosecution, and thus no additional claims fees would be due upon entry of the new claims 25-30.
